Dear Mark,

We received your letter Friday afternoon and are reviewing your contentions regarding the Protective Order. We take any claim of non-compliance seriously and are looking into the issues you've raised. We are preparing a written response and will send as soon as possible. In the meantime, our team is available to discuss any updates you may have in your investigation, including whether the reporter had access to confidential materials via File&Serve, and whether you've looked into possible disclosures from Uber employees, counsel, and agents.

Best,
Sarah, Roopal and Rachel
